Program Guide  
Supporting OUR Future Leaders*

Dear Supporters,

Welcome to another exciting year of the **Miss America's Outstanding Teen Scholarship Program Guide!**

This year marks the 5th successful year for this scholarship competition in beautiful Central Florida at the Orange County Convention Center. As these contestants from all over the United States make their way to Orlando for 10 days of scholarship competition, their families and friends head to Orlando to shop, eat, and enjoy all that Florida has to offer.

These Outstanding Teens, along with the help of sponsors and scholarships, (**Since 2006, over \$35,000 in additional scholarships were awarded as a direct result of program guide advertising sales!**), are able to showcase their talents, share their dreams and compete for assistance in pursuing their higher educational goals.

These young women, who are pillars in their communities, who work countless hours helping others while studying, working and setting their goals, have the opportunity through this national competition to jump-start their futures with the assistance of your participation in the **Miss America's Outstanding Teen Program Guide.**

Join the many advertisers such as *Bloomingdale's, Macy's, Sally Hansen, Wet n' Wild, The Melting Pot, Cypress Gardens, Ruth's Chris, Sea World* and so many others that enjoy targeting these thousands of people on vacation, promoting teen academics and being exposed to local residents as well as tourists for the entire month of August 2009 and beyond.

This is your chance to receive some great targeted exposure as well as the opportunity to support these outstanding young women by providing College Scholarship Money to help further their academic goals. Please join us and be a part of the lives of these highly successful and outstanding teens that represent the very best that this country has to offer by purchasing an ad in this year's Program Guide. **DON'T DELAY—SPACE IS LIMITED!**
